Hi Dilu,

Not sure whether you remember us & its Roshani & Kevin Lafaber, whom you helped out in 2017 with Ausi migration.

Well, this is to share a good news with you as your timely help & promptness in all responses had a great contribution to obtain our visas within such a short period of time.

We got our PR recently & guess all the hard work been paid through.

So again thanks so much & take good care of your self.

Kind regards

~ Kevin & Roshani Lafaber
